TAKE THE GUESSWORK OUT OF INVESTING

You can't predict the performance of the stock market, but you want the right investments that will get the most for your money.

Ultra-Secure® Plus, a single premium deferred annuity from United of Omaha Life Insurance Company, guarantees you a fixed interest rate for five or seven years. That can help you build money towards retirement and you get the peace of mind that your investment will not decline in value.

Your money also grows tax deferred and you do not have to pay taxes on the money that has accumulated until you decide to begin receiving annuity payments.*

Competitive Interest Rates

Ultra-Secure® Plus 5 — Your annual interest rate is guaranteed for five years. For initial payments and accumulation values over \$50,000, an additional 0.15% interest rate will be added.

Ultra-Secure® Plus 7 — Your annual interest rate is guaranteed for seven years. For initial payments and accumulation values over \$50,000, an additional 0.15% interest rate will be added.

Your interest rate will be locked in the date your Ultra-Secure® Plus application and initial payment are received. Your rates are guaranteed not to change during the five- or seven-year policy period – regardless of any stock market fluctuations or declines in fixed interest rates.
